Educational Television Branch/ONTARIO DEPARTMENT OF EDUCATION

PROGRAM INFORMATION

BULLETIN No. 6

DATE January 2, 1970

SUBJECT SERIES SEVENTY

ATTENTION: ALL PRINCIPALS

This bulletin, along with the enclosed posters and forms, is designed to give principals more detailed information on "Series Seventy", an ETVO series which will be telecast during the 1970-71 season. "Series Seventy" is an extension of the 1969-70 "Creative Talent" series, which consisted of student productions. There will be two categories this year: Elementary and Secondary Schools.

The E.T.V. Branch will continue to support student involvement in the conception and production of television programs. If television is to fulfil its educational function, it must involve students as active participants. The aim of this series is to foster student involvement and participation in television production, both as a creative art and as a means of communication.

Submission of Entries

The enclosed posters should be displayed for the information of the student body.

Please have students submit notices of intent to enter to the appropriate Program Consultant or other designated person.

These forms should be submitted as soon as possible and not later than March 30, 1970. It is not necessary for students to complete their productions before submitting the notice of intent to enter.

The deadline for completed productions for all regions is April 30, 1970.

The ETVO Program Consultants who are responsible for the regional festivals are listed below:
